 9866441257

I believe in the power of design to transform user experiences, where even small, thoughtful changes can create a meaningful impact. With a human centered approach, I'm passionate about exploring how gamification and behavioural research can be channeled to craft innovative and engaging design solutions.

Experience

Hugosave / UX Designer

SEP 2023 – PRESENT

- Worked on various features within an app to improve the current UX.
- Took key part in converting the designs into modular structures

Hurrey Tech / Product Design Intern

JAN 2023 – JUL 2023

- Designed pitch deck flows and screens
- Improved UX flows for existing products
- Created UI/UX designs for the 'Digital Library' module.

Skilleit / Game Design Intern

MAR 2023 – JUL 2023

- Developed strategy and content for a card game targeting college students.
- Focused on enhancing problem-solving skills and proficiency in problem statement canvas techniques.

OPE Innovation Lab / Product Design Intern

JUL 2022 – AUG 2022

- Designed enclosures for IoT devices
- Developed models for play objects and spaces,
- Conducted primary research on drywall usage in the Indian residential sector.

Education

NID Madhya Pradesh / B. Des.

2019 – 2023

Bachelors in Industrial Design

Achievements

Special Mention / UX Protothon by DubsTech

2024

Won "Special Mention in Survival game design challenge" for the video game concept "Ghost the Party" alongside teammates Arija & Himank.

Best Social Impact Idea / SchoolPreneur Summit

2018

Won "Best Idea with Social Impact Award" alongside Soujanya Kappagantu for the project "SOS Jewellery Button" in "Schoolpreneur summit 2018" conducted in Oakridge International School, Hyderabad.
